Notice of
Nondiscrimination: It is the policy of the GMG CSD not to discriminate on the basis of race, color, national origin, sex, disability, religion, creed, age (for employment), marital status, (for employment), sexual orientation, gender identity and socioeconomic status (for programs) in its educational programs and its employment practices.

There is a grievance procedure for processing complaints of discrimination. If you have questions or a grievance related to this policy please contact the district's Equity Coordinator.

Chris Frimml

cfrimml@gmgschools.org

Winter weather is soon approaching. For updated information check out GMG website, Facebook and KWWL. Hard surface routes are listed on the school website gmgschools.socs.net as well as the back page of this newsletter.

Greetings from Mrs. Gerke

It is hard to believe we are already a quarter of the way through the school year. Social Studies in room 125 is in full swing.

We were lucky enough to have a student teacher from UNI this fall. The kids enjoyed having Mr. Poe here, and have already said they will miss him. He added a lot of fun, enthusiasm, and cool ideas to the work students were doing.

7th Grade Global Studies just got done looking at a unit on world population. They read the novel "Among the Hidden" and looked at things like resource allocation and child policies in other countries. 8th Grade U.S. History just completed a unit on the Civil War. World History and Geography explored the society and culture of Ancient Rome and will now explore Ancient Greece before comparing the two civilizations. Government is taking a lengthy look at the Constitution, and just got done with their section on the Preamble and first Article.

Each class is progressing nicely and looking forward to more exciting topics, discussions, and projects this year!

GMG NATIONAL HONOR SOCIETY

The GMG NHS Induction Ceremony will be held Thursday, November 7th at 7 PM in the high school Cafeteria.

Along with a new sponsor, there will be a few changes in the running of the local society, but it will remain true to the core academic, character and service expectations. This year's induction was moved to the fall to allow new senior members the opportunity to serve for longer than a few months after induction. The minimum eligibility grade point has also been raised, so by next fall the minimum will be 3.4. This year being a transition year, students are eligible if they have a minimum of a 3.25, up from the previous 3.0

Mrs. Strohbehn

NHS Sponsor

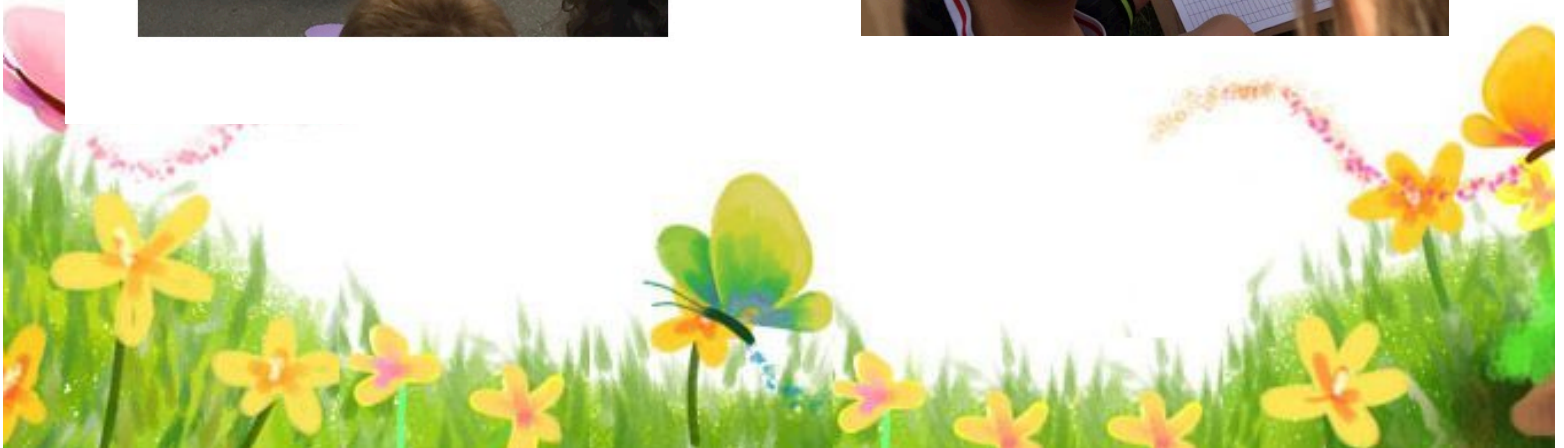

The second grade classes have learned about Monarch butterflies in September. They collected caterpillars, brought in milkweed to feed them, and noted observations as each caterpillar made their chrysalises. Emily, one of the naturalists from Grimes Farm, came and talked with students about life cycle of the Monarchs butterfly. Caleb Holven dresses up as a Monarch to help students visualize and review the parts of a butterfly.

Since none of our chrysalises had hatched, Emily brought three Monarchs with her. Students were able to identify the gender of the butterflies. Males have a dot on each lower wing. The students tagged and released the Monarchs.

One week later, one of our chrysalises hatched. We tagged him and released him to make the migration to Mexico

Gladbrook Fire Department at GMG Elementary

By Margaret Thomsen

Members of the Gladbrook Fire Department volunteered their time to spend October 10 at the GMG Elementary teaching and informing the students about fire safety.

The day was held in conjunction with National Fire Prevention Week October 7 to 12. Firemen attending included Fire Chief Matt Koester, Assistant Fire Chief Dan DeWitt, Secretary/Treasurer Mark Lowry, Lt. Craig Sash and Firefighter Landon Read.

The schedule is designed with a different activity for each grade level. The AM Preschool watched as the firemen demonstrated fire gear and the equipment they wear. The rain stopped and the Afternoon Preschool even got to go outside and get up on the truck and hear the siren and very loud horn.

The Kindergartners were instructed what to do if a fire alarm goes off in their home. They were also told the importance of having a designated family meeting place and practiced the belly crawl to stay below any heat and smoke.

The second graders were taught proper evacuation from home or school. And they learned the importance of an alternative escape route.

Third graders got to try on the firemen attire and race in a relay to see which group could dress the fastest. They learned first hand how heavy and cumbersome the gear is, but how important it is for the firemen s' safety when on the job.

Fourth graders practiced first hand what to do in case there is a bus accident and what it is like to have the bus fill with smoke. The firemen used the smoke simulator to give the students an experience with smoke. They learned the various exits on the bus and how very important it is to listen carefully to instructions from the driver.

The sixth graders received hands on training in the use of a fire extinguisher. This included a live burn simulation with extinguishment.

The fifth graders rounded out the day using the water hoses from the truck to tip over a safety cone, shut off the water, set the cone back up and race back to tag next person in line. They learned that there is a lot of pressure in the hoses and it takes a lot of strength and concentration to use the water hose properly.

The firemen are to be commended for volunteering their time and bringing the fire truck and water tank for the students to view first hand. Feed back as to what the students learned and took home to share with family members has been impressive. The GMG Elementary students are very lucky to have this opportunity and an activity to look forward to each year. Fire Chief Matt Koester said this program is intended to give the students something to look forward to each year as the program covers something different for each grade..

These fourth grade girls shared some of the things they learned during the bus evacuation practice. Lexi Rosedale (far left) said, "I learned that if the bus tips and you are underneath something don't try to get up by yourself. Get help." Lilie Rosedale (center) noted, "I didn't know the windows were marked for exiting and there a lot of other exits". Tyler Mathern (far right) commented, "I learned we need to sit down and give the bus driver our full attention to get directions as to what to do. I learned there will be different escape routes used in different situations."

The GMG Afternoon Preschool is pictured with the big firetruck. They even got to crawl up on the big rig.

Mark Lowry is pictured with a GMG Fifth grader who is using the water hose to try and knock down a cone. The activity divided the class into two teams and the goal was to aim the water to knock over the cone, shut off the water flow, run to set up the cone and rush back to tag the next in line. The children learned there is a lot of pressure and force in the hoses and they must be hung on to very securely to make sure no one gets hurt if they were to flip around unattended.

Exciting Elementary Opportunities

This holiday season, GMG has an opportunity to practice our 7 habits and demonstrate compassion, kindness, caring, giving, and leadership. December 17, members from The Outreach Program will be working with our students to package food. Our goal is to package 15,000 meals to local agencies that provide resources throughout our community. Once the food is packaged, we will be giving it to several agencies including, The House of Compassion, Salvation Army, Child Abuse Prevention Services, Emergency Food Bank, NW Tama County Food Pantry, Grundy County Food Pantry.

We are very excited to provide this opportunity to our students, families and communities. If you are interested in donating to this cause, please contact the elementary school.

From the desk of Mrs. Tonner

Annual Election Day Turkey Supper

Tuesday, November 5th

5:00 to 7:30 PM

Garwin Christian Church

Serving:

Turkey and dressing

Mashed Potatoes and Gravy

Green Beans and Corn

7. Country the Pilgrims left behind
9. Indian tribe that was present at the first Thanksgiving
12. Bright orange squash used to make pie

Mr. Frimmel

November News

Parent –Teacher Conferences

Parent-Teacher conferences are scheduled for November 13th and 14th. The conferences on November 13 are from 3:00 to 8:00 PM. The conferences on November 14 will be from 4:00 to 8:00 PM. Mrs. Gill will send a note home with students informing families of their scheduled time.

Outside Dress

As it gets colder, please make sure your children dress appropriately for the weather. Students will be going outside. If there is snow on the ground, students should have snow pants and boots.

FAST Testing

Students in grades PK-6 have taken the Formative Assessment for Teachers (FAST). This is a screening assessment to see which students may be at-risk readers.

Bus Stops

As a friendly reminder, I would like to encourage folks to slow down when entering areas where our children are waiting for the bus. It is always safer to enter these areas at a lower speed as we cannot anticipate or predict when a student may fall, be pushed or run in front of a vehicle. Thank you in advance for your consideration and cooperation.

Binders

As we continue our journey in “The Leader in Me”, we will be using leadership notebooks. These notebooks track the journey each individual child takes. If anyone would like to donate 1 inch binders to the school for the students to use, we would greatly appreciate it.

PRIDE

PRIDE is the acronym our teachers use when discussing expectations with students. Please discuss with your children the ways they have displayed GMG PRIDE throughout the day.

P ut Safety First
R espect and Responsibility
I nclude Everyone
D o Your Best
E veryone Cooperates

RESTROOM

PURPOSE:

The restrooms will be a safe and clean environment.

EXPECTATIONS:

1. Use the restroom quickly and quietly.

2. Flush.
3. Wash.
4. Use only 1 or 2 towels
5. Dispose of towels properly and pick up any that are on the floor.
6. Respect others' privacy.
7. Respect property of others.

Upcoming Events

November 13 Elementary Conferences (2:20 Dismiss)
November 14 Elementary Conferences
November 15 No School (Teacher In-Service)
November 28 Thanksgiving
November 27 No School
November 29 No School
December 2 No School (Conference Exchange Day)

GMG PIE will meet November 7th at the Elementary in the library at 5:30 PM. Childcare will be available as well as ZOOM (Video) during the meeting. Zoom is a great way to stay connected if not able to attend.

From the Principal's Desk

Nathan Kleinmeyer- Principal

Dear GMG Parents and Community,

Our district strives to be as transparent as possible when making any decision that effects our students. We take special attention when it comes to how we spend money on different programs at GMG, whether spending is for academics or for activities. We do this so all district stakeholders can see what we are doing and that it is in the best interest of our students. If we all have a common starting point, we can have an open dialogue in any instance where a discrepancy occurs. I often refer to the following when deciding what to share, "In absence of information; people make up their own facts." We try to provide as much information as we can.

It has come to our attention that even though we provide a detailed spending report at board meetings, we can do a better job showcasing some of the major purchases we make for our students. With this thought in mind, I would like to detail some of the items we have purchased over the past few months and highlighting the organizations who have helped support our school and students.

Baseball Uniforms-Free from Adidas during the summer.

Football Helmets-Purchased this fall out of the schools general fund, approved by the school board.

Football Home Jerseys-Purchased this fall from fundraising performed over the past 18 months by the football team.

Football Throwback Jerseys-Purchased this fall from fundraising by the football team this fall.

Hudl: Film and Stats Services for Football, Volleyball, Basketball, Baseball & Softball-Purchased through GMG Boosters.

Boys Basketball Uniforms-Purchased through the school Activity Fund.

Girls Basketball Travel Suits-Purchased through fundraising by the girls basketball team this year.

Girls Basketball Shooting Shirts-Purchased through GMG Boosters.

Custom Tent for Cross Country and Track-Purchased through the school Activity Fund.

General Athletic Equipment, Footballs, Volleyballs, Tape, Paint, Etc.-Purchased through the school Activity Fund.

Air Conditioning Unit for Secondary Gym & Locker Room Areas-Purchased through SAVE Funds at district level, approved by the school board.

English/Language Arts Secondary Curriculum-Purchased this summer out of the school General Fund, approved by the school board.

Science Secondary Curriculum-Purchased this fall out of the school General Fund, approved by the school board.

Ice Maker Secondary Cafeteria-Purchased through the school Nutrition Fund.

Technology Upgrades Secondary Building-Purchased through a Federal Program known as E-Rate.

All of GMG's bills and financials are posted monthly on our board site, along with our monthly board minutes.

As we continue our journey to be as transparent as we possibly can in our purchases for the school and student activities, we will be posting any major purchases on our social media accounts. We appreciate our working relationship with the GMG Boosters as they continue to support our school, students, activities, and organizations.

If you ever have any questions, please reach out and contact me at the school. I would like to hear from you and ensure that everyone in our community and all of our stakeholders have as much information as possible.

Let's continue making this another great year at GMG together.

Sincerely,

Nathan Kleinmeyer

The Board expects that students, employees and visitors will treat each other with respect, engage in responsible behavior, exercise self-discipline and model fairness, equity and respect. Individuals violating this policy will be subject to discipline. Students will be disciplined consistent with the student conduct policies. Employees will be disciplined consistent with employee discipline policies and laws. Others will be subject to discipline according to this policy.

Individuals are permitted to attend school sponsored or approved activities or visit school premises only as guests of the school district, and, as a condition, they must comply with the school district's rules and policies. Individuals will not be allowed to interfere with or disrupt the education program or activity. Visitors, like the participants, are expected to display mature, responsible behavior. The failure of individuals to do so is not only disruptive but embarrassing to the students, the school district and the entire community.

To protect the rights of students to participate in the education program or activities without fear of interference or disruption and to permit the school officials, employees and activity sponsors and officials to perform their duties without interference or disruption, the following provisions are in effect:

- Abusive, verbal or physical conduct of individuals directed at students, school officials, employees, officials and activity sponsors of sponsored or approved activities or at other individuals will not be tolerated. Nor will the use of vulgar, obscene or demeaning language or expressions.
- Verbal or physical conduct of individuals that interferes with the performance of students, school officials, employees, officials and activity sponsors of sponsored or approved activities will not be tolerated.
- Spectators and parents should have no interactions with officials before, during, or after a game, nor with coaches or players from any school during an event besides positive and supportive comments. If you wish to visit with a coach, you should communicate that request at least one day after the event; not directly following an activity.

If an individual becomes physically or verbally abusive, uses vulgar, obscene or demeaning expression, or in any way interrupts an activity or otherwise violates the above provisions, the individual may be removed from the event by the individual in charge of the event, or other school administrator. School staff in charge of the event or administrators reserve the right to remove any individual/s that are deemed to be displaying excessively disrespectful or unsportsmanlike behavior towards any student-athletes, officials, coach, or any other individuals present at a school event.

Individuals removed from school premises will be excluded from attending any and all school events, home or away, for a minimum of 14 days. Excluded individuals have the ability to follow the Board's chain of command and complaint policies should they choose to do so. The exclusion is in effect should the individual choose to appeal the decision of the superintendent. The term "individual" as used in the policy also includes students and employees.

If an individual has been notified of exclusion and thereafter tries to enter a school building or attends a sponsored or approved activity, the individual will be advised that his/her attendance will result in prosecution and long-term or permanent exclusion from school buildings and grounds. The school district may obtain a court order for permanent exclusion from school buildings or from future school

GMG Community School Board Meeting
Green Mountain
Monday, October 14, 2019
Regular Meeting, 7:00 PM

The GMG Board of Education then met in regular session, at 7:00 PM, in the library at the GMG High School in Garwin. Ann Jackson called the meeting to order at 7:00 PM. Members present were Ann Jackson, Bill Backoff, Stephanie DeSchamp, and Kyle Hall. Nathan Holven joined the meeting at 7:02 PM. Doug Dieleman and Randy Sienknecht were absent. Also present were Ben Petty, Chris Frimml, Nathan Kleinmeyer, Katie Mathern, Justin Hornberg, Christian Deam, Eulalia Pena, Kathy Humphrey, Karen Johnson, Chad Duncan, Andrea Duncan, Nicole Guldager, Megan Teske, and Gary Lynk.

Consent Agenda

1. Board Meeting Agenda
2. September Regular Meeting Minutes
3. Bills Payable
4. Personnel – resignation of Loren Shetler as high school custodian, hiring Melissa Sienknecht as head junior high volleyball coach, hiring Emma Wildman as assistant high school volleyball coach, and hiring Gary Lynk as assistant high school boys' basketball coach.

Motion by Hall, second by DeSchamp, to approve the consent agenda with the omission of personnel item, letter D: Approve Lori Staff, general paraprofessional at high school. Motion carried with all ayes.

Recognition of Guests Present:

Robin Lilienthal, with the Marshalltown Community College, spoke about the opportunities at MCC and updated the Board on an upcoming bond issue.

Christian Deam presented a “Thank You” to the Board for sponsoring his Eagle Scout project.

Members from the GMG Booster Club discussed fund-raising possibilities to support improvements for the GMG School.

Other guests present spoke to the Board about potentially naming the basketball court in the future and staffing of the secondary library.

Motion by Hall, second by DeSchamp to approve the hiring of Lori Staff as general paraprofessional at the high school. Aye votes from Jackson, DeSchamp, Hall, and Holven. Nay vote from Backoff. Motion carried.

Reports:

Eulalia Pena reported on the secondary Spanish Curriculum.

Mr. Frimml reported a strategic plan was created with goals and beliefs, looking ahead to the next five years. The elementary is participating in an outreach program where the students will be packaging meals for the needy. The FAST assessments are completed for the fall. The first round of grade level data team meetings have been held, in which literacy interventions were discussed, based off the results of the fall assessments.

Mr. Kleinmeyer reported there have been some condensation issues in the high school building, resulting from the AC installation. The new bells and intercom system are installed and running smoothly. A group of high school teachers will be attending a professional learning community conference October 21st – 23rd in Des Moines. Trunk or Treat will be held in the high school parking lot on October 31st, sponsored by GMG activities, athletics, and clubs.

Business Manager, Katie Mathern, reported on the financials.

Commendations:

Motion by Backoff, second by Holven, to approve the addition of the following commendations.

1. Carson Wobeter, Brock Baldazo, and Lenny Coulter for painting the football field
 2. Mr. Dan Lastovka and high school band and jazz band, 2019 fall concert
 3. Mrs. Leslie Gartin and junior high school band, 2019 fall concert
 4. Mrs. Sheryl Mullikin and vocal music students, 2019 fall concert
- Motion carried with all ayes.

Business:

Motion by Hall, second by DeSchamp, to approve the SBRC Modified Allowable Growth and Supplemental Aid request for the GMG Community School District Special Education Deficit in the amount of \$85,743.19. Motion carried with all ayes.

Motion by Hall, second by Backoff, to approve Policy 927: Public Conduct on School Premises revisions as presented. Motion carried with all ayes.

The Board had its first reading of the 300 series of Board policy.

Motion by Backoff, second by Hall, to approve the 28e Agreement for Shared Classes. Motion carried with all ayes.

Motion by Holven, second by Hall, to approve the SBRC Modified Supplemental Aid request for fiscal year 2019 excess LEP costs in the amount of \$607.34. Motion carried with all ayes.

Superintendent Comments:

Mr. Petty reviewed the preliminary enrollment numbers. The IASB School Board Convention is November 20-21st, and Mr. Petty encouraged those interested to attend.

The next Board meeting will be November 11, 2019, at 6:30 PM, at the GMG Elementary School in Green Mountain.

Adjournment:

Motion by Backoff, second by DeSchamp, to adjourn at 9:20 PM.

GMG Prom Fundraiser

The class of 2022 is selling Handmade, Custom Beaded Bracelets in silver tone with genuine Swarovski crystals. Bracelets are made with quality jewelry wire and feature a Toggle style clasp and a Paw Print Charm.

These make great gifts!! Any questions please contact Michelle Vaverka at 319-239-3669
