GMG FOUNDATION NEWS

Grateful and Hopeful

So when I took over as treasurer of the foundation in the fall, I had to figure out how it all worked, but we had a ***bigger problem***. We had money to cover the scholarships for now, but general donations to the foundation were dwindling. We were not able to award as many scholarships as we had in the past.

So we brainstormed options and decided to launch a Foundation website, open a PayPal account as another way for people to donate, and post using social media to help. I posted a call for help on December 5, 2020, on the “you know you are from Garwin site.”

The results have been **ASTOUNDING!** Since that post and the launch of our website we have had **34 new donors**. Individual donations have ranged from \$20 to \$1000. It leaves me humbled and speechless as I think about it. In addition, we have started several new scholarships. The Class of 2002 came through with four new scholarships: one for academics, one for fine arts, one for athletics, and one as the Garrett Stephenson Memorial Scholarship. People who retired from GMG started a Retired Staff Scholarship. The Garwin Church Women have also donated money to be used for a scholarship in their name.

That takes care of the **Grateful**, now for the **Hopeful**. We will be able to give more scholarships than we did last year. We have made gains, but are still not back to previous levels of funds. We are still hoping that as we engage more people, we can receive more individual donations. To donate, you can just send a check to: GMG Foundation, 230 Main St., Garwin, IA 50632 or you can visit our website at <https://sites.google.com/view/gmg-foundation>. The gift is tax deductible as we are a registered non-profit charity.

So, I will close with one quick story. My son, James, set up the website and I registered our bank account with PayPal. I’m writing the post for the Garwin facebook page, and I’m thinking, “What if no one donates? All this work down the drain, that’s going to feel bad.” Amazingly enough 20 minutes after my post, I get a notification that we have had our first donation from PayPal. It was from a foreign exchange student who attended our school in 1977. That was the first and best gift given. We had touched her life enough to donate money to our cause. Wow! All three new steps working together!

Thanks to all the donors new and old, and we hope more people can join their ranks!

As we wrap up Speech and Debate for the year, we've had a lot of students whose achievements we're celebrating!

Debate, in its early stages, had a great foundation set by freshmen Alice Hunt and Lilly Bru, and sophomores Caiden Collins and Linsey Kohn with Public Forum Debate, and Summer Mc Gachey and Kaci Krier with Lincoln Douglas Debate. All put great effort into this very challenging activity, and learned a lot during the season!

Within Large Group Speech, we had great participation from all grades. At State Contest, the Group Improvisation team of Kaci Krier, Joaquin Fitzsimmons and Owen Bovenmyer, the Radio Broadcast team of Frances Jackson, Chloe Cornwell, Wyatt Jackson, and the Group Mime of Joaquin Fitzsimmons and Owen Bovenmyer all received unanimous Division I ratings, Joaquin and Owen took it a step further with All-State recognition!

Individual Event Speech also had a solid core of great performers who received a lot of recognition from judges. We took a total of sixteen entries to State level, with Kaci Krier (x2), Frances Jackson, Jessica Johnson, Angel Schewe, Kennadi Sederburg, and Joaquin Fitzsimmons each receiving unanimous Division I ratings. We had another five entries average Division I ratings, and nobody placed below a Division II rating!

Finally, Kennadi Sederburg reached All State for her Original Oratory, bringing a great close to the season!
